TWO THEATRE FIRES

AIDED FOOTPAD

DETECTIVE SHAKE-UP MAY AFFECT ONLY ONE

Board Decides to Elect New Head of Department at Meeting Next Week.

TOO MUCH JEALOUSY, THEY SAY

The force has been seriously inpaired. The trouble has been brought to the serious attention of the Police Board, and strenuous action is expected. The men now on the detective force are as follows: Captain Tomlinson, Sergeant Witshire, Sergeant Wren, Sergeant Witshire, Sergeant McMahon and Sergeant Bailey.

Man Suggested for Place Not Likely to Get It Because of Old Age.

Confronted by serious need for the re-organization of the detective depart-ment of the police force, the Police Commissioners will, in all probability, make at least one change, if not more in the meeting scheduled for next Tuesday night. Rumors of every va-riety were in the air yesterday, and the matter was one of general dis-cussion among the detectives, the po-lice force and among the a few private citizens who heard of the proposed stake-up. Yesterday it was accepted

d be removed and put into a lower for in the department because he had been too frequently mened in the newspapers and because he looked upon by some as a discrezer. This man, it may be stated a good authority, will not be red. He will be kept in the same tion he now holds.

Is recognized that he is one of the men on the force, and that to gate him to a position from which case several years ago would work by harm to the densituent and

Reducing the matter to its final analysis and bringing the rumors a little nearer to the truth, it may be said—likewise upon good authority—that the proposed change will affect only one man. He has been on the detective force many years: he has been efficient, but of late age and disease have had their work upon him, and he is stated for a lighter and basic position.

Satisfactory to Judges.

Marshai Treat stated on Thursday that the man named will be approved by the judges of the various courts, and that he is well-known and popular throughout the State, among Democrats and Republicans. Captain Rogers fills these stipulations.

Again, yesterday afternoon, one thoroughly cognizant of all that is going on in the Federal building, stated that the newly appointed deputy formerly served as a commissioned officer in the Confederate army. It was also given out that he had once held a Federa position.

When The Times-Dispatch reporter suggested Captain Rogers's name as the appointee, a man closely in touch with Mr. Treat's office, in giving information about the captain, said, in reply to a question: "I won't say whether or not you're wrong, but if you were I would allowed to suffer from hursers and

Mr. Treat once, in giving in reply to a based on the principle of the violation, question: "I won't say whether or not you're wrong, but if you were I would not tell you anything about him."

It seems to be an assured fact that Captain Rogers will have the place as locked up for forty-eight hours. soon as confirmation is received from Washington, Several Republicans were seen in regard to the probability of the captain's being named, and expressed

Talk of Firebug.

Two small frees in moving picture theatros to the past two days have led to reports of "Theatre Firebug." Although both the olice and free departments are making a ulet investigation, there is no evidence vet to show that the fires were not used accidentally. The first blaze at the file flour Theatre, No, 122 East Broad treet, shortly after 4 o'clock Thursday torning, was located on the stage flor-lectrical Inspector Speights, who examined be building, said there were no electric lies within twelve feet of the blaze, which any have been caused by a cigarette law have been caused by a cigarette.
